

AMPYRA e-Prescribing

Introducing a simple 2 step process for e-Prescribing AMPYRA

1 Send AMPYRA eRx to Fortrea Specialty Pharmacy

100 Technology Park STE 158
Lake Mary, FL 32746
Phone = (866) 842-2147
NPI = 1780811125
NABP = 1046300

If you intend for your patient to receive branded AMPYRA, please include Dispense as Written (DAW 1) on the initial and refill eRx prescriptions

Commercially insured patients are eligible to receive AMPYRA for \$0

To minimize call backs*, please include within the eRx "Notes to Pharmacist":

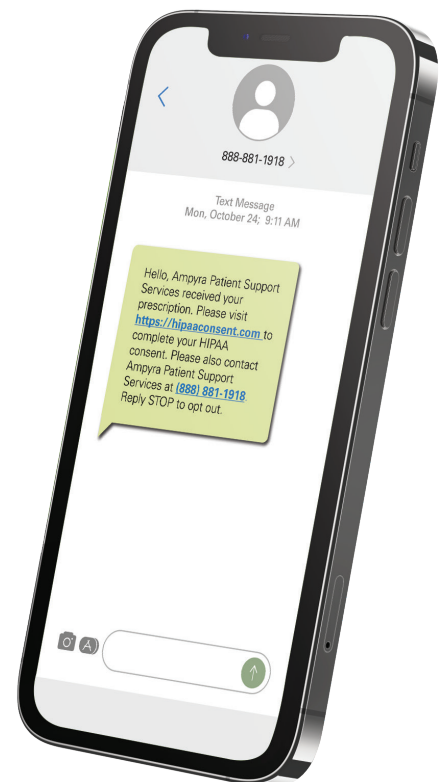

- Patient's history of seizure and renal function
- Patient's current mobile phone number

*You may receive a phone call from an AMPYRA Patient Support Specialist if additional information is required to initiate prior authorization.

2 Tell your patients to expect a phone call or a text

Patients will receive a text** from a [(39)] number and a phone call from **(888) 881-1918** within one business day from sending the eRx to complete enrollment and confirm next steps including prescription fulfillment.

**Standard text and data rates may apply

AMPYRA e-Prescribing

Minimize delays and help your patients get started quickly

Find and select **Fortrea Specialty Pharmacy** in your EMR by searching for the address:

100 Technology Park STE 158

Lake Mary, FL 32746

Phone = (866) 842-2147

NPI = 1780811125

NABP = 1046300

Provide the **What to Expect Next** tear sheet to help prepare your patient.
